(5)(a) In addition to the limitations hereinabove set forth, "tax recipient bodies" for purposes of this Act shall be tax recipient bodies within the meaning of Article VII, Section 26 of the Constitution of Louisiana, limited solely to those taxes authorized prior to January 1, 1978, and any renewals thereof, or any millage authorized prior to January 1, 1978, but not levied in full or part on the tax rolls. In Orleans Parish this limitation shall apply solely to those taxes authorized and collected prior to January 1, 1978.

(b) "Population" shall mean that enumeration of persons within the state, its parishes, and incorporated municipalities determined by the division of business and economic research of Louisiana Tech University under the most recent federal-state cooperative program for local population estimates. Such determination shall be submitted to the state treasurer annually not later than January fifteenth of each calendar year. Any tax recipient body or incorporated municipality which is aggrieved by such determination may file a petition for administrative review with the state treasurer not later than March fifteenth of each calendar year hereafter. The estimates so submitted shall have no effect on the distribution for the fiscal year in which they are made but shall be utilized for purposes of this Act and for distribution during the ensuing fiscal year. The treasurer shall have authority to affirm, modify, or set aside in whole or in part, the determination of the division of business and economic research of Louisiana Tech University.

(c) "Homesteads" shall mean that enumeration of homestead exemption claims filed with the assessors as determined by the Louisiana Tax Commission as of November fifteenth of the current calendar year from the original tax rolls submitted to the commission prior to any adjustments thereto.

(d) "Public school population" shall mean the enumeration of enrollments contained in the Department of Education Annual Report for the preceding school year.

(e) "City of New Orleans", unless otherwise indicated herein, shall mean only the city of New Orleans, the Orleans Levee District, the Sewerage and Water Board of New Orleans, the Board of Assessors for Orleans Parish, and the Orleans Parish School Board and reference in this Act to tax recipient bodies in the city of New Orleans shall refer only to the aforesaid entities.

Section 2. The revenue sharing fund for the Fiscal Year 2010-2011 shall consist of the sum of Ninety Million and No/100 (\$90,000,000.00) Dollars.

Section 3. The amount to be distributed annually to each parish from the revenue sharing fund shall be the sum of (a) an amount equal to that percentage of eighty percent of the total fund which is equal to the ratio which the population of the parish bears to the total state population, and (b) an amount equal to that percentage of twenty percent of the total fund which is equal to the ratio which the number of homesteads in the parish bears to the total number of homesteads in the state. As used in this Section, the term "homesteads" shall mean that enumeration of adjusted homestead exemption claims filed with the assessors as determined by the Louisiana Tax Commission as of March thirty-first of the current calendar year.

Section 4. Except as provided in Section 5, the state treasurer shall distribute the funds herein allocated to the tax collectors of the respective parishes and to the city of New Orleans.

Section 5. That portion of the fund for the parish of Ouachita allocated to the Monroe City School Board shall be an amount which will reimburse said board, to the extent available and subject to the provisions of Section 9(C) of this Act, for the taxes lost as a result of homestead exemptions based on the tax rolls for the current calendar year and shall be distributed directly to the city treasurer of the city of Monroe, who shall pay therefrom the statutorily dedicated deductions for retirement systems. For the purpose of distribution of the balance of the revenue sharing funds the state treasurer may use the amount listed on the prior year Ouachita Parish tax rolls which were due the Monroe City School Board.

Section 6. Eleven and nine-tenths percent of all revenue sharing funds distributed by the provisions of this Act, excluding such funds as are distributed directly to the city of New Orleans and the amount listed on the prior year Ouachita Parish tax rolls which were due the Monroe City School Board (\$1,262,855), shall form a special fund (\$9,847,618) to be distributed as commissions to the tax collectors of the respective parishes, the city of New Orleans excepted. Each such tax collector shall receive a percentage of such fund, based on commissions received by him pursuant to Act 153 of the 1973 Regular Session, as provided in Section 8 of this Act.

Section 7.A. Two and forty-four hundredths percent of all revenue sharing funds distributed by the provisions of this Act, excluding such funds as are distributed directly to the city of New Orleans and the amount listed on the prior year Ouachita tax rolls which were due the Monroe City School Board (\$1,262,855), shall form a special fund (\$2,019,176) to be distributed to the various retirement systems which were eligible for payment pursuant to Act 153 of the 1973 Regular Session, as provided in Section 8 of this Act for distribution to such retirement systems, and shall make due payment

thereof to each retirement system in the same proportion that the statutory deduction provided by law for the system bears to the total statutory deductions provided by law for all such retirement systems. For the purpose of distributing these retirement contributions, the state treasurer may use the statutory deductions determined by the Public Retirement Systems Actuarial Committee as per R.S. 11:103 for the previous calendar year.

B. The city of New Orleans shall make the deductions legally established for retirement systems which were eligible for payment pursuant to Act 153 of the 1973 Regular Session and shall make due payment in accordance with the statutory deductions provided by law for all such retirement systems. Notwithstanding the above provisions the city of New Orleans shall remit the following amounts for the indicated retirement systems for Fiscal Year 2010-2011: Assessors' Retirement Fund, \$168,474; Clerks of Court Retirement and Relief Fund, \$137,015; District Attorneys' Retirement System, \$67,281; Registrars of Voters Employees' Retirement System, \$64,443; Sheriffs' Pension and Relief Fund, \$55,762.

Section 9. All remaining funds shall be allocated and distributed as follows:

A. Subject to the provisions of Subsection B of this Section and except as provided by Section 5, the tax collector of each parish and the city of New Orleans shall allocate and distribute, within fifteen days after receipt thereof, to the tax recipient bodies within his jurisdiction an amount available after commissions and deductions which is necessary to offset losses attributable to homestead exemptions. In any parish which had excess funds in 1977, the amount available for the reimbursement of homestead exemption losses shall be limited to the amount used for that purpose in 1977, adjusted by the percentage by which the number of homesteads in the parish increased or decreased from 1977 to 2009, together with any additional taxing bodies or millages authorized to participate on the same pro rata basis under the provisions of Section 1(a)(3), Section 1(a)(4), and Section 9(B) of this Act. This restriction shall not apply to the parish of East Carroll and to parishes in which there were no excess funds in 1977. However, in the city of New Orleans the amount available for the reimbursement of homestead exemption losses shall be limited to the amount used for that purpose in 1977, except that the amount distributed to the Orleans Levee District shall be limited solely to the amount used for the reimbursement of homestead exemption losses in 1977 on its two mill tax. In no event shall any amount be deemed available within the meaning of Article VII, Section 26 of the Constitution of Louisiana to reimburse losses attributable to homestead exemptions for taxes authorized after January 1, 1978, and any renewals thereof, with the following basic exceptions:

A of this Section, the tax collector and the city of New Orleans shall prorate such lesser amount among the various tax recipient bodies within the parish so that the lesser amount received by each tax recipient body shall be proportionate to the reduction in the total amount distributed to each parish, and the amount distributed by the state treasurer to the city treasurer of the city of Monroe shall be based upon similar prorating, if necessary; however, in the parish of St. Bernard, the Lake Borgne Levee District shall receive a minimum of \$163,000 and the St. Bernard Port, Harbor and Terminal District shall receive a minimum of \$125,000, and, in Allen Parish the Special Law Enforcement District shall receive a minimum of \$58,000 and the Assessor shall receive a minimum of \$36,500.

(2) No bond millages levied to service bonds under the authority of Louisiana Constitution Article VI, Section 33(B) or Article XIV, Section 14 of the Louisiana Constitution of 1921 or any other constitutional or statutory authority for the issuance of general obligation bonds shall share in the proceeds of this Act and the governing authority of the issuing political subdivision shall levy and collect or cause to be levied and collected on all taxable property in the political subdivision ad valorem taxes sufficient to pay principal and interest and redemption premiums, if any, on such bonds as they mature; the only exceptions to this prohibition shall be specifically included in this Subsection. In the parish of Natchitoches, bond millages shall share and any tax recipient body in said parish otherwise eligible to participate in the revenue sharing fund may use the funds for the retirement of the principal, interest, or premium, if any, or any combination thereof, of any outstanding bonded indebtedness of such tax recipient body. In the parish of Livingston the millage authorized in 1975 for the parish health unit shall share as an operation and maintenance millage. (3) In the parish of St. Tammany, the parish governing authority shall make available out of its allocated funds a sufficient amount for the operation and maintenance of the food stamp offices and the service office for veterans established under R.S. 29:261. In the parish of St. Tammany, the parish governing authority shall make available out of its allocated funds five thousand dollars for the St. Tammany Humane Society. In the event of any decrease in the state's appropriated portion of the salaries of the St. Tammany Parish Registrar of Voters Office, the parish governing authority shall make available out of its allocated funds a sufficient amount to replace such state funds, not to exceed \$15,537.58. Of the funds allocated within the parish of St. Charles, thirty thousand dollars shall be distributed to the St. Charles Department of Community Services to be used for the operation of an outreach program at the St. Rose Community Center. Section 10. In the event the distribution to the tax collector in each parish and to the city of New Orleans is more than the amount necessary to satisfy the requirements of Sections 6 and 7 of this Act and to reimburse all tax recipient bodies as set forth in Section 9 of this Act, then the city of New Orleans and the tax collector in each parish, within fifteen days after receipt thereof, shall distribute such remaining excess amount as follows, except as otherwise provided in Subsection D of this Section:

A. The portion of the excess equal to the ratio that the parish public school population bears to the total population of the parish shall be allocated and distributed to the respective city and parish school boards in the parish proportionate to the public school population of each.

B. The next portion of the excess remaining after allocation and distribution to the school boards, equal to the ratio that the total population of all incorporated areas in the parish bears to the total parish population, shall be allocated and distributed to the respective incorporated municipalities of the parish proportionate to the respective population of each.

C. The remaining portion of such excess, if any after allocation and distribution to the school boards and incorporated areas of a parish, shall be allocated and distributed to the parish governing authority.

D. For purposes of this Subsection only, "tax recipient bodies" shall mean and include any recipient of excess funds hereunder. (5) In the parishes of Acadia, Bienville, East Feliciana, Franklin, Jackson, St. Helena, St. James, Vernon, Washington, and West Feliciana, fifty percent thereof to the parish governing authority, twenty-five percent thereof to the parish school board except that in the parish of Washington, which has a dual parish and city school administration, the twenty-five percent to the school boards shall be prorated between the parish and city school systems on the basis of public school population, and twenty-five percent thereof to the incorporated municipalities in the parish, to be distributed to such incorporated municipalities pro rata on a population basis, except that in the parish of West Feliciana the initial fifteen thousand dollars of such excess shall be retained by the sheriff and the twenty-five percent for incorporated municipalities shall be distributed to the town of St. Francisville. In the parish of East Feliciana, the initial twenty-five thousand dollars of such excess shall be retained by the sheriff.

Further, in the parish of Evangeline the additional excess funds received by the school board as a result of the change in percentages from those provided in Act 719 of the 1975 Regular Session of the Louisiana Legislature shall be used solely for the purpose of restoring the salaries or benefits to those school board employees to the same level or amount as were paid prior to the recent reductions or decreases in such salaries or benefits; however, if the excess funds are insufficient to restore the salaries or benefits to their former level or amount, then the excess funds shall be distributed on a pro rata basis. (a) If the amount of excess funds is insufficient to supply the amounts distributed in 1972 to each incorporated municipality in the parish, the amount to be allocated and distributed to each incorporated municipality shall be reduced by the ratio that the amount of excess funds distributed to it in 1972 under Act 4 of the 1972 Extraordinary Session bore to the total amount of excess funds then so distributed to all of the incorporated municipalities in the parish; or

(b) If the amount of such excess funds exceeds the amount necessary to supply the same amounts of excess funds distributed in 1972 to each incorporated municipality in the parish, the excess over the amounts distributed in 1972 shall be allocated and distributed to each incorporated municipality in the parish in the ratio that the population in each bears to the total population of all of the incorporated municipalities in the parish.

(21) In the parishes of Caldwell and LaSalle, one-third thereof to the parish governing authority, one-third thereof to the parish school board, and one-third thereof to the incorporated municipalities in the parish, to be distributed to such incorporated municipalities pro rata on a population basis. F. In order to provide flexibility in the use of excess funds, no excess funds shall be distributed to any recipient by the tax collector of the parish of Evangeline as provided in Section 10 of this Act until approval of such distribution of excess funds to each recipient thereof has been granted by the member or members of the House of Representatives and the Senate who represent the parish in the legislature. Such approval shall be requested by the chief executive officer of the recipient body who shall submit to the respective members of the legislature a written request for such excess funds, such written request to contain the amount of excess funds requested and the purpose for which they will be expended. Upon receipt, but only upon receipt, by the tax collector of the written approval of such a request from each of the members of the legislature who represent the parish, the tax collector of the parish shall make the distribution requested provided that such distribution is in compliance with the provisions of this Act and particularly other provisions of Section 10 hereof.

Section 11: The parish governing authority shall have the power and authority to expend such excess funds received by it for any governmental purpose or function and may allocate and distribute any portion of such excess funds received by it to its tax recipient bodies, sheriff, other taxing districts, incorporated municipalities, and other public officials.

Section 13. The state treasurer shall distribute one-third of the total amount herein allocated to the parishes from the revenue sharing fund to the parish tax collector, or in Orleans Parish to the city of New Orleans, not later than the first day of December in each year, one-third thereof not later than the fifteenth day of March in each year and one-third thereof not later than the fifteenth day of May in each year, and each one-third of the total allocation shall be distributed in accordance with the provisions of Sections 6, 7, 9, and 10 of this Act; however, the legislative auditor may authorize the granting of additional sums due any recipient in advance upon a showing that the advance receipt of such funds is reasonably necessary. If the state treasurer does not distribute said fund on or before the dates specified in this Act, any interest or other income derived by the state from the parish allocations, earned prior to the distribution to the parishes, shall be paid over a pro rata basis together with the principal amounts due the parishes under the provisions of this Act. Any interest or other income derived by the parish tax collector or the city of New Orleans from the investment or other use of such total parish allocations received from the state treasurer, earned prior to the distributions within the parish as required by the foregoing provisions of this Act, shall be paid over a pro rata basis together with the principal amounts due the local recipients under the provisions of this Act upon distribution thereto, and the parish tax collectors or the city of New Orleans may retain only investment income earned on that portion of the total parish allocation to which they are otherwise entitled under the provisions of this Act. In light of the fact that all assessment roll figures will not be available in time to base the December distribution by the treasurer on current figures, the distribution of funds on the first day of December pursuant to this Act shall be based on the distribution figures for Fiscal Year 2009-2010. The remaining two distributions on the fifteenth day of March and the fifteenth day of May shall be based on current figures for Fiscal Year 2010-2011, and such distributions shall be adjusted to compensate for

the differences resulting in the use of the Fiscal Year 2009-2010 figures for the December distribution.

Section 14. On or before such date as shall be established by the state treasurer, each tax collector, the city of New Orleans, and the city treasurer of the city of Monroe annually shall file with the state treasurer, on such forms as the state treasurer may require, all information necessary to the computation of the funds to be distributed within the parishes, including, but not limited to, a listing of all such local entities seeking eligibility for funds as a tax recipient body under the qualifications set out in Section 1(a), all new millages of such tax recipient bodies as are listed in Section 9(B), and all remaining authorities on the tax rolls which are otherwise ineligible to participate in the distribution of revenue sharing funds as tax recipient bodies. The listing shall include such verification for eligibility as may be required by the state treasurer and, notwithstanding the provisions of Section 12 hereof, no revenue sharing funds shall be distributed prior to receipt and acceptance by the state treasurer of such information and verification. The same authorities shall in the same manner submit to the state treasurer a statement of the amount of revenue sharing funds distributed to each recipient of such funds, including the amount deducted for sheriffs' commissions and for retirement system contributions and shall state clearly on such forms the amount of the distribution to each such recipient which is derived from excess funds and the amount of such distribution which represents reimbursement for tax losses by reasons of the homestead exemption. Such statement shall also include the amount of any revenue sharing funds which remain to be distributed and the recipients to which such remaining funds will be distributed.
